FROM THE SECRETARY GENERAL'S DESK

The year gone by was a glorious one yet for Boxing Federation of India, with our Boxers performing par excellence at all major International tournaments. Our Elite Boxers won Top honours at the Commonwealth Games at Gold Coast, Australia, Asian Games at Jakarta, Indonesia and AIBA Women World Championships in New Delhi.

The most noteworthy was Mary Kom or Magnificent Mary as she is better known, becoming India's first woman boxer to win a Gold at the 2018 Commonwealth Games held in Gold Coast, Australia. The 35 year old mother of 3 carried on her good form to win a record-breaking 6th Amateur World Championship Gold Medal at AIBA Women World Championships held In New Delhi in Nov 2018, becoming the only woman to have a medal at all the seven World Championships with 6 Golds and 1 Silver. With this gold, 'Magnificent Mary' also matched Cuban men's legend Felix Savon as the joint most successful pugilist (men and women) in the World Championships history.

What is astonishing to know is that I was the referee when she played her very first bout way back in 2000-2001 and she over the years has continued to win laurels for India by winning medals at almost all top level International Competitions. Following with the top notch performance of our boxers, our President Mr Ajay Singh too was selected as the Chairman of the Foundation - Board for Better Boxing of the world governing body of the sport, AIBA.

As we enter into a countdown for the Olympic year 2020, I welcome our BFI family to come forward to complement all our Coaches and Support Staff who are getting fully geared up right from now with our 'Road Map for Tokyo' program, to support our Olympic probable's in the best possible way so that we come back with a rich haul of medals from there too. . . Jay Hind !
