Justification for two Youth Women Talented Boxers who are probable and hope and can be a member of Indian Youth Women Team for AIBA Youth World Women Boxing Championships-2017 to be held at Guwahati, India from 19th Nov to 26th Nov, 2017.

Sir,

It is imperative to inform you that during selection trials, It has been observed that boxers in 2 weight category, viz, VANLALHRIATPUII (60 KG) & G. NIHARIKA (75KG) were outstanding and talented but

1. VANLALHRIATPUII (60 KG)-

She is the best and most technical boxer among all the boxers who are competing in selection trials in 60 KG, in recent concluded International Championships at Serbia in the month of 8th Aug to 14th Aug, 2017 she won Gold and adjudged Most Technical boxer of tournament after beating Russia, Kazakhstan unanimously. She performed well against Russian Boxer in Finals, who was the World no. one in her weight category but she was not able to take part in this selection trials due to strain in left shoulder, which could be dangerous if she took part in this selection trials.

2. G. NIHARIKA (75 KG)-

She is best among the entire boxer who was competing in selection trials in 75 KG, in recent XXXI AHMET COMERT International Boxing Tournament, she won silver medal and lost to world no. 1 boxer from Russia. She fall sick on the day of selection trials and lost in split decision against SAPNA who did not take part in regular training from last 20 days and always complaining about the problem during day to day training.

In this regards, it is requested to BFI, that both the cases may be considered for re-selection 10 days before the AIBA Youth World Women Boxing Championships, if they both are fit and could perform better than their opponent who are in the same weight category, kindly considered them. I am very much confident that both boxers are outstanding and could win medal for the country at upcoming World Championships-2017.

Kindly considered this matter sympathetically. Expecting a positive response in this regards.

With Regards,
