We will be participating in Ireland, President Cup, Umakhanov Memorial Russia, Ulaanbaatar and Chemistry Cup before the deadline of Asian Games registration i.e. 30th June, 2018. He further stated that our aim is that we send all the boxers to different international tournament and then evaluate their performance based on the achievement in the International Tournament and Training in the Camp. After detail deliberation the selection committee finalise the following :

The Selection for the Asian Games will be based on the performance of the Boxers in all national and international competitions up until 25th June starting from 1st January, 20018.

Naturally, the performance in the competitions held from the Commonwealth Games onwards will have more importance.

A monthly ranking will be published the first week of every month for better understanding of the boxers' current status in the camp.

Result in tournaments that hold a high international level are of more importance than lesser level tournaments or one single national result.

BFI will ensure that there are enough opportunity for the boxers who are considered candidates for the Asian Games -2018.

Performance Director and Head Coaches will evaluate their performances.

At the same time, boxers' performance during the Training in the Camp will also be evaluated independently.

Also, these top boxers will face each other in the Camp by mid-June (dates finalised & communicated to all including the boxers) in an Internal Competition Format Sparring (officiated by AIBA qualified TOs) where the Selectors will be present to gauge & compare their performances.

All above will have a specific Schedule - that will be officially announced & also communicated to all the boxers.

Thus - all the top boxers will have to go through an international exposure test, training performance evaluation and also have to face each other in an internal competition format sparring (under the keen eye of the Selectors) by mid-June.

The final selection committee meeting will be held on 26th June, 2018 to finalise the names for the Asian Games 2018. During the meeting if the selection committee feels that some of the weight category the number one and two are very close in this scenario the selection trials will be held on 28th & 29th June, 2018.

The Committee also deliberated the list of boxers who will participate in the upcoming international tournament and after detail deliberation and keeping in view of their current ranking and level of international tournament and their weight categories the following names were finalised :
