### President and Secretary General

Dear President and Secretary General of Boxing Federation of India,

This is the Boxing Association of Korea. Hope everything is going well with your association on.

We, Boxing Association of Korea, would like to organize joint training camp in Jincheon, Korea with your national boxing team in 8<sup>th</sup> May ~ 15<sup>th</sup> May 2019 (7 nights 8days). Korean government provides funds of joint training camp because of the good relationship between India and Korea.

The duration of the training camp would be 9 days and would like to invite 12 ~13 boxers and 2~3 coaches (maximum 15 people). However, it is still subject to change depending on the situation and we will cover all expenses including flights, transportation, accommodation, Visas and meals for participating boxers and coaches.

We do believe that it would be a great opportunity for both Korea and India national team to improve their boxing skills and tactics. Furthermore, this will also be a stepping stone for us to build a strong relationship.

If you are interested in it, please send the entry(including passport copies) who would like to participate in the joint training camp in Korea as soon as possible.

Thank you in advance for your kind cooperation and your prompt reply will be very much appreciated. Please do not hesitate to contact me should you have any questions on this matter.
