18.3. In all Bouts of AOB Competitions, the five (5) Judges for each Bout are allocated a position around the ring in accordance with the electronic draw by the AIBA Scoring System.

18.4. At the end of each round, each Judge determines the winning Boxer of that round by awarding a score of ten (10) points and by awarding nine (9) or less points (seven (7) is the minimum score) to the losing Boxer, depending on the judgment as to the degree to which the opponent lost the round. Every round must have a declared winner.

18.5. The scores of all five (5) Judges shall be counted in determining the winning Boxer.

18.6. The Judges have to push the button on the scoring pad within fifteen (15) seconds. These scores are transmitted directly to a computer system managed by the Deputy Technical Delegate, and no alterations or additions are made to these scores after the initial transmission. The announcement of the scores by the Announcer and on the live TV broadcast are made immediately at the end of the Bout, after the approval of the scores by the Deputy Technical Delegate.
