# HAND SIGNALS

Reference: R/J Manual

Most common hand signals:

- Holding
- Low Blow
- Low Head
- Boxer moving recklessly forward with low head
- Lacing
- Hits to back of head
- Hits to the back area
- Mouthpiece

# VOICE

Weak voice, Weak Referee

Voice must be strong in order to control the bout

This must be done without yelling

Boxers must sense that the Referee is in control of the bout

Stop, Time, Break – the voice must be stronger

“Box” and Speaking to the boxers – voice can be a lower tone, only the boxer needs to hear

# DECISIONS
