1. **BOXING FEDERATION OF INDIA**

- a) Boxing Federation of India (BFI) is the National Federation for the sport of Boxing in India, recognized by the Government of India (Ministry of Youth Affairs & Sports, Department of Sports), the Indian Olympic Association and the International Boxing Association (AIBA). Since its very inception, the BFI has made rapid strides for improvement of the sport of boxing focusing on the core development of the sport at grass root level. By strategic planning and professional management, the BFI has been able to make a mark in the international arena.
- b) The present RFP relates to organization of National Camps for training of Boxers for all categories.

2. **PRESENT RFP IS FOR FOR PROCUREMENT, SUPPLY & INSTALLATION OF PHYSIOTHERAPY EQUIPMENT IN ELITE MEN NATIONAL COACHING CAMP AT NS NIS PATIALA AND ELITE WOMNE COACHING CAMP AT IG STADIUM, NEW DELHI**

- 3. The BOQ for the present RFP may please be seen in the **Annexure**.

4. **Bidding process:**

- a) Any company or consortium, who has provided such equipment to events of national/international standards during the last three years may bid for this RFP.
- b) The bidder should not have been blacklisted by any agency during the last three years.
- c) The bidder should have all necessary clearances, if any required, from respective government agencies.
- d) The bidder should have all required statutory documents in respect of registration of company/organization with the government agencies, income tax, GST registration and clearances that the bidder should not have been defaulter on any account.
- e) Double bid system – Technical Bid and Commercial Bid system will be adopted. On the date of opening, the Technical Bid will be opened and evaluated. The Commercial Bid of only shortlisted bidders will be opened.
- f) Decision of BFI in respect of the above matter will be final. There will be no appeal against the decision of the BFI. The orders can also be split amongst bidders.
- g) The **Technical Bid should not contain any price information** that need to be mentioned in the Commercial Bid only.

The bidders will make three envelopes – (1) Technical Bid, (2) Commercial Bid and (3) the envelope containing the Bank Drafts for Tender Processing Fee and Bid Security. All these three

envelopes will be properly closed and sealed and then these three envelopes will be put in another cover superscribing “**RFP FOR PROCUREMENT, SUPPLY & INSTALLATION OF PHYSIOTHERAPY EQUIPMENT IN ELITE MEN NATIONAL COACHING CAMP AT NS NIS PATIALA AND ELITE WOMNE COACHING CAMP AT IG STADIUM, NEW DELHI**” to be deposited at the Office of BFI, Gurgaon by the scheduled date and time.

- h) Commercial bids of only those bidders will be opened, whose technical bids are considered to be qualified as per the decision of BFI. Representative of technically qualified bidders will be invited for commercial bid opening and subsequent negotiation.
- i) After final decision is taken and communicated to the successful bidder(s), they will submit letter of acceptance, submit Performance Security in the form of Insurance of equipment/supplies for one year in favor of Boxing Federation of India payable at New Delhi and start executing the order.
- j) More than one bidder may be selected/empanelled, if need be, subject to the bidders agreeing to match the lowest cost.

4. Tender Processing Fee, Bid Security

- a) **Tender processing fee** is a non-refundable fee of Rs.10,000/- (Rupees ten thousand only) to be deposited in the form of a bank draft payable to “Boxing Federation of India” at New Delhi.
- b) **Bid Security amount** is Rs.1,00,000 /-(Rupees one lakh only) to be deposited in the form of a bank draft payable to “Boxing Federation of India” at New Delhi. The Bid Security amount of the unsuccessful bidders will be refunded after award of work and acceptance of the work by the successful bidder(s). This amount will not earn any interest. For successful bidder, it will be released on completion of supply to the satisfaction of BFI.
- c) BFI reserves the right to reject any/all the bids without assigning any reason thereof and in that eventuality the Bid Security amount will be refunded to the bidders.
- d) In the eventuality of the successful bidder(s) not accepting the contract within the stipulated date, the Bid Security amount deposited by the firm will be forfeited.
- e) No bid will be accepted through email.

5. Technical Bid Format

- a) Name of the Company/Consortium:
- b) Date of incorporation of the Company etc:
- c) Registration Number of (a) above:
- d) PAN Number of (a) above:

- e) GST Registration No:
- f) Date since when providing supply/services:
- g) Sports originations/Events for which supplied items mentioned in BOQ indicating year and value of items
- h) Turnover and portion of turnover on supply of equipment in below format:

Year	Total Turnover of the Company / Consortium (In INR)	Amount of business handled in respect of the equipment in Annexure (In INR)
2019-20		
2018-19		
2017-18		
2016-17		

In support of claims in (b) to (h) above documentary proof must be attached along with certificates from the organizations to whom the equipments were supplied must be attached. In respect of turnovers, the audited balance sheet or certificate from the Chartered Accountant/Auditor should be attached. Copies of registration certificate, PAN, GST registration and other related documents need to be attached.

- i) Detailed technical specifications of all items of equipment mentioned in Annexure.
- j) In case a bidder is authorized representative of any equipment/material, a certificate from the principal may be attached to this effect and also to the effect that they are authorized to bid for the equipment/supplies.

6. Commercial Bid Format:

- a) The bidder shall indicate detailed pricing as per the BOQ in the Annexure.
- b) Price quote for each item will be considered as individual unit.
- c) All the quoted rates should be valid for at least one year.
- d) In addition, the bidder may indicate the items and quantity that they intend to sponsor indicating their terms and conditions for such sponsorship. However, the rates/value of such sponsored items must be there in the commercial bid.

7. Terms of Payment:

- a) On acceptance of award of work 10% of total value of purchase order will be released to the successful bidder as mobilization advance.
- b) Bills will be submitted at BFI office along with receiving from SAI center, installation certificate and stock entry report of respective SAI center.
- c) Balance payment will be made within 15-30 days of submission of documents mentioned in para 7 b), subject to the satisfaction of the BFI.

8. Dispute resolution

- a) Before award of work, there will be no dispute and the decision of BFI will be final.
- b) After award of work, all disputes will be resolved amicably by mutual consultation.
- c) In case, still disputes remain, it will be decided by Arbitration and in such eventuality the Arbitrator will be appointed by the BFI.
- d) The Arbitration Proceedings will be carried on as per the provisions of Indian Arbitration Act and will be governed by laws of India.
- e) In case of litigation, it will be subject to the jurisdiction of the Courts of Delhi.

9. Savings

- a) BFI reserves the right to vary the terms and conditions, scope of work, BOQs mentioned above at any time for operational reasons without assigning any reason.
- b) If after award of work BFI is convinced that the contractor is not fulfilling the contractual terms or is not supplying equipment as per specification or as per satisfaction of BFI or if adequate progress of work is not there, the BFI reserves the right to terminate the contract without any further notice and assign the work or the rest of the work to another bidder/vendor at the cost of the contractor.

1	Multipurpose Shockwave Therapy Unit with Combination Therapy	01	0	01	Combination of shockwave, vacuum, ultrasound & electrotherapy therapy modalities Compact design and easy operations Colour touchscreen user interface Preset programs User-defined protocols upto 100 Standard accessories				
2	Activator Gun	02	01	01	Complete range of force settings that can be managed using one hand Generates a thrust at the touch of a button, resulting in less wear and tear Utilizes a force wave that allows deeper penetration of the force without discomfort to the patient Ergonomically designed to fit any hand, it's quick, efficient, and fully portable enabling the doctor to see more patients Recognized for superior control of speed, force, and direction of thrust. Ample battery life, lasting throughout a typical day				
3	Spinal Adjustment Tool	02	01	01	Palm and Finger Pads Included Max Output upto 52 lbs Carry Case Included				
4	Capacitive-Resistive Electric Energy Transfer Therapy Unit	01	01	0	<ol style="list-style-type: none"> 1. Capacitive-Resistive Electric Energy Transfer Therapy Unit for treatment of musculoskeletal trauma and pathologies. 2. Should be operable in Resistive & Capacitive mode to increase oxygenation, vascularization, reducing viscosity to induce analgesic and anti-inflammatory action 3. Should have selectable frequency of 400kHz, 470kHz, 700kHz, 1000kHz and 1200 kHz to treat patients accurately at different depths. 4. Should have output power minimum up to 350w for effective treatment. 5. Should have selectable continuous, pulsed & hands free treatment modes. 6. Should have 7" color touch screen navigation system for ease of operation and customization of protocols. 7. Should have inbuilt Human Atlas 				

				<p>with anatomical illustrative images to choose pathology to be treated, work parameter for precise electrode positioning.</p> <p>8. Should have pre-set programs for different indications with body parts pictures</p> <p>9. Should have hand free treatment mode with adhesive electrodes allowing therapist to treat patient with manual technique also at same time to increase effectiveness of treatment.</p> <p>10. Hand free program should have facility to choose distance between treatment electrode short- upto 30, medium upto 50 cm and long more than 50 cm according to area to be treated for precise and effective therapy</p> <p>11. Should be supplied with dedicated fascia blades / tools with different shapes for mobilization of soft tissues of different body parts.</p> <p>12. Should have a transdermal delivery program to facilitate absorption of active ingredients of a drug or cream</p> <p>13. Should have facility of automatic frequency scanning during treatment to allow transfer of energy at different depths.</p> <p>14. Should have pulsed emission program with different duty cycle to transfer high energy to tissue while maintaining temperature control.</p> <p>15. Should have Athermal treatment program for stimulation of tissues without heat production.</p> <p>16. Should have facility to create and save the customized protocols</p> <p>17. Should be supplied complete with:</p> <ol style="list-style-type: none"> Large fascia tool for Lower limb and trunk treatment. Small fascia tool for Upper limb and cervical treatment. Trigger point fascia tool for trigger point treatment. Spine facia tool for back treatment and vertebral mobilization. <p>18. Should be supplied with following accessories:</p> <ol style="list-style-type: none"> Monopolar resistive hand piece – 1 No. with 30mm,50mm and 70mm diameter heads -1 no. each 				
--	--	--	--	---	--	--	--	--

					b. Capacitive monopolar hand piece – 1 No. with 30mm ,50 mm and 70 mm diameter heads -1 no each c. Bipolar hand piece – 1 No. with 50 mm diameter head – 1 no. d. Hands free kit comprising of cable with 2 electrodes, neutral plate and adhesive electrodes. e. Counter electrode – 1 No. 19. Should be supplied with customized trolley. 20. Should be European CE approved medical device				
5	Electric Muscle Stimulator	02	01	01	Portable version 4 channel Pulse and amplitude adjustable RAMP time adjustable				
6	Thera Gun	02	01	01	6 Easy-to-Clean Closed-Cell Foam Attachments Adjustable Arm for a Full-Body Reach Comfortable Ergonomic Multi-Grip 2 Interchangeable Batteries Protective Travel Case Force delivery up to 60 lbs				
7	Portable TENS	02	01	01	Two channel Asymmetrical Bi-phasic square pulse waveforms Built in timer upto 15 mins				
8	Electronic Chiropractic Bed	02	01	01	One electric motor, standard supports for Hi-Lo function Height control from 60cm to 80cm by footbar switch Electric chiropractic table have two retractable wheels and two adjustable feet Electric chiropractic table able to lift up to 225kg working weight from its lowest height Retractable castors 50mm for excellent mobility and safety
