The Competent Authority has decided to streamline the process related to empanelment, appointment, review and remuneration of Coaches and Support Staff working part time or full time in national camps or appointed to work with Indian athletes by the NSF.

- i. Job Description - Mutually developed by NSF and SAI and approved by Chairman of the Empanelment Committee, detailing the expected roles and responsibilities and minimum eligibility criteria to apply.
 - ii. Job Application Form – Format at Annexure 1.
- b) In case suitable candidates are not found within the defined time frame, the advertisement process may be repeated for another cycle by the Search Committee. For the purpose of shortlisting however, applications received during both advertisement cycles will need to be considered.
- c) After completion of the above, the NSF will forward all applications received as per prescribed format at Annexure 1 to the Empanelment Committee, along with names of candidates shortlisted by the NSF Search Committee for consideration of the Empanelment Committee. It is recommended that the ratio of coaches and support staff approved in ACTC to the candidates shortlisted by the NSF Search Committee for each role be at least 1:3.
- d) After the interview assessment, the Empanelment Committee will sequence the candidates in an 'Order of Merit'. In case the Committee is divided in its opinion, each member will simultaneously place before the Committee their respective 'Order of Merit'. Points will be allocated against ranks given by each Committee member; highest point being equivalent to the number of candidates interviewed and lowest being 1. Total score thus obtained will be used to arrive at the final 'Order of Merit'.
- e) The highest ranked candidates on the 'Order of Merit', against the available vacancies, will be recommended for appointment to DG (SAI). Other meritorious candidates on the 'Order of Merit' (if any) as deemed fit by the Empanelment Committee will be recommended for inclusion to the 'Empanelled List' to DG (SAI).
- f) A candidate once empanelled by the Committee will remain part of the 'Empanelled List' for a maximum period of four years. Such list may be used by SAI or NSF from time to time for future recruitment of candidates in specific roles, with due approval of the Empanelment Committee and DG (SAI).

Remuneration, Tenure and Performance Review

5. The process of deciding remuneration, tenure and conducting periodic performance review of coaches and support staff will be as below:

 - b) The selected candidate will be required to sign a Tripartite Letter of Agreement between the individual, SAI and the concerned NSF, as applicable. An updated version of the existing agreement capturing the present nuances is under discussion and will be placed before the Competent Authority for approval.
 - c) The NSF will be required to submit to the Empanelment Committee the Coach/Support Staff's functional responsibilities and performance targets in the format developed by SAI, within 30 days from his/her official date of joining. Basis this, the Committee will draft the Key Result Area (KRA) and/or Key Performance Indicators (KPI) to be used for periodic performance review of the Coach/Support Staff by the Committee.

For every subsequent Financial Year (FY) the requirement of the coaches and support staff must be submitted by the NSF by 31st Dec of the preceding FY.
 - b) After receiving all applicant details from the advertisement process, review of applicants by empanelment committee and final approval from SAI/MYAS is expected to complete within a maximum time period of 60 days.

- c) Coach and Support Staff recruited from FY 2021-22 will be for a maximum tenure of four years, subject to periodic performance review of the Committee.
7. The above guidelines come into force with immediate effect and supersede all the previous guidelines/instructions regarding appointment of coaches and support staffs for National Coaching Camps (NCC).
