FROM SECRETARY GENERAL'S DESK

My dear Boxing family,

These past 4 years have truly been among the most gratifying years of Indian Boxing where we have seen progress and development on all fronts. Our Boxers ably assisted with the good work from all Coaches & support staff have shown exceedingly good results at most international competitions and have continued to reach unprecedented heights across categories.

One of the highlight of this year was that at the Asian boxing Olympic qualifiers in Amman Jordan, Nine Indian boxers - five men and four women - qualified for the 2020 Tokyo Olympics, making this India's biggest-ever boxing contingent at the quadrennial event.

Mary Kom, was once again in the news for being honoured with the Padma Vibhushan. She is one of seven eminent personalities to be awarded with such a decorated recognition this year & is only the fourth sportsperson in the country and the first woman to be given this coveted award.

Another silver lining this year was the accent of World championships silver medalist boxer Amit Panghal as the No 1 ranked boxer in men's 52kg weight class, according to the latest world rankings released by the International Boxing Association AIBA, Amit is the only Indian to claim the number one spot in the rankings prepared on the basis of performances up to the World Championships last year.

Later in 2019, Our much awaited Indian Boxing League finally too off with its first edition under the brand name of 'Big Bout'. Gujarat Giants, led by their World No.1 Amit Panghal pulled off a come-from-behind 4-3 victory over Punjab Panthers in a high-voltage final to win this inaugural Big Bout Indian Boxing League attracting high TVR's amongst all sports lovers across the country & world.

I would like to offer my gratitude and thanks to all members of the boxing family who ably supported and contributed to this stupendous performance of BFI on all fronts over these past 4 years. Right from our Member Units to all the Boxers, Coaches, TOs, Support Staff as well as BFI staff - both at Delhi HQ & Mumbai SGO toiled hard to live upto people's expectations though there's enough scope to raise the bar further.

A word of thanks & sincere appreciation to all my colleagues at BFI EC, Commissions members and ofcourse all at SAI MYAS GOI, IOA, ASBC & AIBA for all their considerate support to BFI right from its inception. Indian Boxers & Indian Boxing is truly grateful for all their magnanimous assistance !!!

My heart goes out to those who may have lost their loved ones during this pandemic and pray that we all can box ourselves out of this situation to be more resilient and achieve success at the Olympics so as to come back with record number of medals... Jay Hind !

Record 9 Boxers Qualified : Tokyo Olympics 2020ne

At the Asian boxing Olympic qualifiers in Amman Jordan, Nine Indian boxers - five men and four women - qualified for the 2020 Tokyo Olympics, making this India's biggest-ever boxing contingent at the quadrennial event.

Before this, the most boxers representing India was at the 2012 London Olympics when eight had qualified. It was also the year when women's boxing was introduced for the first time and MC Mary Kom won her historic Olympic bronze. We still have 4 more berths up for grabs and along with the prayers and the good wishes of the entire boxing community, I am sure the tally will go up!

Led from the front by stalwarts like Mary and Vikas Krishan, the Indian team now also comprises of medal favorites like world number 1 Amit Panghal and also some young turks, who could be relied upon to pull off a few upsets and get India a good haul of medals in these Olympics

All The Best, Champions, All Of India Is Fully With You !!!

The 36-year-old Mary Kom, also a Rajya Sabha Member of Parliament, won a bronze medal at the 2012 London Olympics while also being crowned as world champion six times in an illustrious career. She is one of seven eminent personalities to be awarded the Padma Vibhushan this year. The Manipuri boxer, who was conferred with the Padma Bhushan in 2013 and Padmashri in 2006, is only the fourth sportsperson in the country and the first woman to be given the Padma Vibhushan.
