To Whomsoever It May Concern

The Boxing Federation of India (BFI) is officially recognized by the Ministry of Youth Affairs & Sports (MYAS), the Indian Olympic Association (IOA), the International Boxing Association (IBA), World Boxing, and the Asian Boxing Confederation (ASBC). It is the only recognized federation for the sport of boxing in India.

The Organizing Committee of World Championships, AIBA (Amateur International Boxing Association), ASBC Confederation and IBA do not issue World Championship certificates. The Boxing Federation of India, being solely responsible for the sport of boxing in India, is authorized to issue certificates on its letterhead. These certificates can be verified with the records available on the BFI website.
