SECRETARY GENERAL DESK

Dear Boxing Family,

As a Federation, we are committed to identifying and promoting talent. Our vision is to foster grassroots development of Boxing in India. This year, our women boxers put forth a sensational performance in the IBA Women's World Boxing Championship 2023. BFI had the honour of hosting this event, and we ranked number one in the Championship.

Our boxers also shone at the Asian Games 2023, bringing home five medals. Furthermore, India earned four quotas in the Paris Olympics 2024. Elite Women Boxers Nikhat Zareen, Lovlina Borgohain, Preeti, and Parveen have qualified for the Olympics 2024.

In the IBA Men's World Boxing Championship 2023, India earned three Bronze Medals. These achievements are a testament to the hard work and dedication of our boxers, coaches, technical officials, and support staff. I would like to extend my heartfelt thanks to all the member units who contributed to the successful performance of BFI.

BFI has also conducted the maximum events under the REC for grassroots development, providing a platform for boxers who did not get chance in national championships.

In addition to our achievements in the ring, the Boxing Federation of India has also made significant strides in the development of our coaching and officiating staff. We have conducted a variety of courses related to Coaches, Referee & Judges, Sports Psychology, and Strength and Conditioning. These workshops have been instrumental in enhancing the skills and knowledge of our team.

I am proud to announce that the Boxing Federation of India now boasts the highest number of International Certified Coaches. This is a testament to the quality of our training programs and the dedication of our coaches.

Furthermore, a record number of Referee & Judges from India passed during the course conducted in India. This achievement underscores our commitment to maintaining the highest standards of fairness and integrity in our sport.

These accomplishments would not have been possible without the hard work and dedication of our team. I would like to extend my heartfelt thanks to everyone who has contributed to our success.

I would like to express my sincere appreciation to the President BFI, Treasurer BFI, EC Members, Members at SAI, MYAS, ASBC, REC and IBA for their unwavering support in the development of Boxing in India.

AGENDA NO. 5

**CONSIDERATION &
PASSING OF THE AUDITED
STATEMENTS OF
ACCOUNTS SUBMITTED BY
THE HONORARY
TREASURER FOR THE YEAR
2022-2023**

Independent Auditor's Report

Qualified Opinion

We have audited the accompanying financial statements of Boxing Federation of India, which comprise the Balance Sheet as of 31st March, 2023 and the Income & Expenditure, & relevant Annexures for the year ended, and the related notes to the financial statements. These financial statements are responsibility of Society management. Our responsibility is to express an opinion on these financial statements based on our audit.

We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of the audit.

In our opinion and to the best of our information and according to the explanations given to us except for the effects or the matter described in the Basis for Qualified Opinion section of our report, the financial statements referred above give a true & fair view:

- (i) In case of the Balance Sheet of the State of affairs of the above-named society as at 31st March, 2023.
- (ii) In the case of the Income & Expenditure A/c of the Excess of Income over income for the year ended 31st March, 2023.

Basis for Qualified Opinion

1. INPUT CREDIT ON GST

Reference is drawn from Previous year Audit Report wherein it was mentioned that:

"The Boxing Federation of India has taken Input Tax Credit by filing GST returns related to FY 2017-18, 2018-19, & 2019-20 after the specified period as mentioned in section 16(4) of the CGST Act, 2017. As per Section 16(4) of the CGST Act, 2017 the last date to avail ITC for the invoices of a particular financial year would be the due date of filing of return under Section 39 of the CGST Act, 2017 for the month of September following the end of relevant financial year or Annual Return u/s 44 of the CGST Act, 2017, Whichever is earlier. So, as per the above provision Input Tax Credit taken in books of accounts for the FY 2017-18, 2018-19 and 2019-20 will not be allowed as Input Tax Credit for amounting Rs. 1,69,19,244.

Further the ITC booked in the financial Year 2019-20 was also unreconciled. Therefore, due to wrong booking of ITC and non-availability' of reconciled figures of the earlier year'. The overall impact will also be carried forward to current year.

In Financial Year 21-22, ITC booked in the Financial year 2021-22 was also unreconciled. In Financial Year 22-23, ITC booked in the Financial year 2022-23 was also unreconciled.

2. BANK ACCOUNTS

While verification of books, we have found there is one Bank account with Bank of India Showing balance of Rs. 4,742.75. However, no bank statement of the same has been provided to us. Hence, in absence of Bank statement, we cannot comment on the sanctity of the same.

Emphasis of Matter:

Apart from above mentioned basis for our qualified Opinion. Following are the matters that are emphasized herewith for attention of all stakeholders.

1. While verification of Grants, we have found that BFI used to receive some grants related to SAI Equipment support, food supplements and Video Analysis amounting to Rs. 67,91,259.00, the expenses of which is not being booked in the books of BFI. It is informed to us that these expenses are undertaken on behalf of SAI and therefore, neither the grant is booked as income nor the expenses are shown. Only the amount receivable is entered in the head Grant in advance head (SAI Coaching Camp) in liabilities and the amount paid for the respective purpose is reduced from the same head.

Particulars	Amount (in Rs.)
SAI Equipment Support	59,58,679.00
