CIRCULAR

Seeding Policy for 9th Elite Men & Women Boxing National Championships

Seeding Method

- Seeding shall be applied weight-category-wise.
- The top four (4) boxers in each weight category, based on the Final Evaluation conducted in October 2025 at the National Camp, NSNIS Patiala, shall be seeded as Seed 1 to Seed 4.
- In cases where an insufficient number of boxers are available in a weight category, seeding shall be limited to the number of eligible boxers available.
- No other criteria shall be considered for eligibility for seeding.

Non-Participation of Seeded Boxer

- In the event that a seeded boxer withdraws or does not report for the National Championships, the seeding allotted to that boxer shall stand cancelled.
- No replacement seeding shall be granted.
- The remaining seeded boxers shall be re-adjusted sequentially, based on their original seeding order.

Illustrative Example

- Four (4) boxers are initially placed as Seed 1, Seed 2, Seed 3, and Seed 4 in a weight category.
- If Seed 2 withdraws or fails to report before the commencement of the competition:
 - The seeding of Seed 2 shall stand cancelled.
 - Seed 3 and Seed 4 shall be re-designated as Seed 2 and Seed 3, respectively.
 - Consequently, only three (3) seeds shall be applicable for that weight category.
