

Date: 9<sup>th</sup> March 2026

## ADVISORY

All boxers registered under BFI are hereby advised **not to participate in any boxing tournament, competition, or event that is not recognised or authorised by the Boxing Federation of India (BFI)**. All recognised BFI domestic and international events are included in the BFI calendar. Any addition or deletion to the BFI calendar will be notified in advance to all stakeholders.

Participation in **non-BFI recognised events** may lead to disciplinary action and possible exclusion from BFI recognised tournaments in the future.

Athletes are therefore instructed to ensure that **any competition they participate in is duly sanctioned or recognised by BFI or conducted under its approved framework**. Prior confirmation should be obtained from BFI in case of any uncertainty regarding the recognition status of a tournament.

This advisory is issued in the interest of maintaining the integrity of the sport, safeguarding athlete welfare, and ensuring compliance with the established governance structure of boxing in India.

All athletes and associated stakeholders are requested to **strictly adhere to this advisory**.

Pramod Kumar  
Secretary General  
Boxing Federation of India
