In reference to the discussions held between the Head Coaches and TOPS officials on 11th May 2026, the following process for the assessment methodology of athletes has been accepted, as per the email dated 12th May 2026 received from TOPS.

This is to notify that the selection of boxers for the CWG, Asian Games, and other international competitions shall be conducted from 13th May to 15th May 2026 of the Ongoing Elite National Campers at NS NIS Patiala.

A revised evaluation system based on sparring performance shall be adopted in place of the existing assessment methodology.

The following procedure shall be followed during the assessment:

1. A 5-judge scoring system (1 Head Coach and 4 Judges) will be used for all sparring bouts to ensure greater transparency and fairness.
2. Scores shall be announced immediately after the completion of each sparring bout, in line with the procedure followed during boxing competitions.
3. A total of 12 Referees & Judges (R&J) shall be engaged in the evaluation process on a rotational basis.
4. Both Head Coaches will be part of the evaluation process for their respective category bouts (Men and Women).
5. The 10-Point Must System shall be adopted for scoring all sparring bouts.
6. A 1% weight allowance shall be permitted at the time of sparring assessment.
7. The marking system followed previously shall not be applicable for the present assessment.
8. The scores obtained earlier in the Sports Science Tests, Weight Management, Health Management, and Attendance shall stand withdrawn and shall be treated as null and void.
9. As per the Selection Criteria 2026, in the CWG and Asian Games weight categories, the finalists from the Asian Boxing Championship 2026 shall be selected directly for the CWG and Asian Games 2026. In those respective weight categories, the assessment shall be conducted only for determining the camp rankings from Rank 2 onwards. The camp ranking after the selection shall remain valid until any selection is conducted.

This is for the kind information of all Ongoing Elite National Campers at NS NIS Patiala.
