

Date: 11th August 2026

Assessment of boxers' performance at CWG 2026

Background

As per the BFI Selection Criteria 2026, the performance of individual boxers following the Commonwealth Games (CWG) is to be assessed by the High-Performance Unit. Where required, an evaluation trial in a particular weight category may be undertaken between the Main and Reserve boxers for selection to the Asian Games 2026, based on this assessment.

Extract of the BFI Selection Criteria 2026:

The performance of the Individual Boxers after CWG will be assessed by the High-Performance Unit. If required Evaluation in a particular weight category based on the assessment may be undertaken between Main and Reserve for the Asian Games 2026.

Assessment

Upon review, it was noted that in the following weight categories the performance of the boxers at the Commonwealth Games 2026 was not up to the expected standard, with the boxers concerned being eliminated in their opening bouts:

- Men: 70 kg
- Men: 90 kg
- Women: 65 kg

Decision

We, the undersigned members of the High-Performance Unit, having assessed the performance of the boxers in CWG 2026, and in accordance with the BFI Selection Criteria 2026 (uploaded on 8th December 2025), hereby resolve that a selection trial shall be organised in the above-mentioned weight categories between the Main and Reserve boxers registered for the Asian Games 2026.
